And yet this same woman from whom it is to extract a five franc piece would have giver help my return from Elba; and after Waterloo have given me all she possessed to help rees affairs; she offered it me; she would have senl self to black bread without a murmur.

4()th. I am sad, bored, ill; sit in that arm me company.

£lst. What shall we read to-night? You a the Bible ? It is really most edifying; the: guess what we're doing, in Europe!

June 1st. When any one of my ministers, or peraonages, had blundered badly, and it was n get annoyed, really angry, furious, I always t have a third party present at the scene; my ru when I had decided to strike, the blow shoul good many; the one on whom it fell was neithx less resentful; while the witness, whose face i rossment were worth seeing, would go off an< upread fur and wide what he had seen and hear* terror rirculated through the veins of the s Tilings went Iwttcr; I had to punish less fr< profited much and without doing much harm

4th. I have l>cen scolded for my laziness
